CFP

This second edition of the ICATH'2020 will be held on **November, 20-21 2020** in Rabat, the imperial city and the administrative capital of Morocco and which is listed as a World Heritage Site.

ICATH'2020 focuses on advancing technology for the benefit of humanity. This cross-disciplinary conference provides the critical issues for the benefit of the resource-constrained and vulnerable populations in the world. In addition, it is an opportunity to identify the most pressing needs and discover the highlight humanitarian technologies that promote successful. practice, and attract humanitarian and emergency management practitioners in order to learn from their successes and better guide future research. The ICATH aims to examine the various challenges in those areas and will provide a forum for exchanging ideas, discussing solutions, and sharing experiences among researchers and professionals from both academia and industry.

For more details, we invite you to scan the QR code or visit **http://smartilab.ma/icath/**
